Plan Sheet: Construction Detail Sheet C-10

Specification Section: Bid Schedule A

INTERPRETATION REQUESTED:

Construction Detail Sheet C-10, Section B-B and C-C appear to show cross sections of the Commercial Drive Approaches included under Bid Schedule A, Item 12 and Item 13.

These Drive Approaches are to be constructed per City Standard ST-21 and ST-23, which requires 6" depth compacted subgrade.

The Cross Sections on Sheet C-10 show 12" compacted subgrade, which requires a substantial amount of additional effort to achieve.

Please clarify the depth of the compacted subgrade under the Commercial Drive Approaches.

REPLY:

All requests and replies will be published on the City's web site at: www.reedley.ca.gov in addition to being faxed and/or emailed to plan holders.
