Specification Section: Page 4

INTERPRETATION REQUESTED:

The specifications mention a labor agreement. Will subcontractors be required to comply with the project labor agreement? If so is there a contract minimum that would require us to get the one time union agreement

REPLY:

The contractor will need to be registered with the Department of Industrial Relations and pay wages consistent with the prevailing wage determination listed. The contractor does not have to be a union contractor.

All requests and replies will be published on the City's web site at: www.reedley.ca.gov in addition to being faxed and/or emailed to plan holders.
